

EXPERIENCE

DESCRIBED VIDEO PRODUCER

May 2026 - Present

Premium Sound N Picture Inc

- Script audio descriptions for audiences who are blind or visually impaired.
- Narrate, record, and edit voiceover tracks for delivery, ensuring clean audio, natural pacing, and accurate synchronization with picture.

STUDIO MANAGER

January 2021 - May 2026

Mai/son

- Curated upwards of twenty events at the venue each month from conception through to day-of site coordination, including managing relationships with artists and agents.
- Served as head sound engineer, overseeing the sound at every event and concert in the venue.
- Supervised a team of seven logistics staff.
- Led the redesign and new build of an in-house recording studio, including sourcing gear, planning signal flow, managing project expenses, and attracting artists.

MIXING ENGINEER

August 2021 - December 2021

VoiceMagic

- Edited and mixed podcasts using Pro Tools to result in the clearest audio possible.
- Edited podcasts using Descript to maintain a natural feel to conversations and stay within the desired time requirements.
